DETAILED ACTION

Allowable Subject Matter

1. Claims 9-14 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or suggest a method of fitting a golf glove to protect a golfer from injury, the method comprising the steps of: measuring a golfer's hand and retrieving measurement data, placing at least one bio-feedback sensor on or proximate a golfer's hand, allowing a golfer to swing a golf club to make contact with an object, retrieving information from the at least one bio-feedback sensor relating to shock forces associated with the impact of the golf club on the object, mapping the shock forces associated with the golf club on the object, and constructing a glove according to said measurement data and information received from said at least one bio-feedback sensors and positioning at least one pad relevant to a golfer's hand to reduce the shock forces associated with the golf club on the object.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
